

Name	Sport BTEC Level 2: SV Report
------	-------------------------------

*'There is some excellent practice within this centre. Assignment briefs are mostly good, modifying Pearson examples. There is a structured internal verification process within this centre. The internal verification is of mostly a good standard, with clear and constructive feedback given to the assessors. The assessors have graded accurately on all occasions and the grading has been justified in the summative feedback provided to the learners. The centre has produced good quality video assessments as evidence for learner work, which are accompanied with in-depth observation records. This is clearly a strength of the centre and should be shared as good practice across other assessors at the centre.'*
