

16 October 2020

Dear Year 11 Students and Parents/Carers

**Year 11 Post 16 Taster Sessions
Week beginning 2nd November 2020
Maltby Academy**

The Autumn term is now well underway and Year 11 students are working hard on their GCSE and Applied Level 2 courses. It is the perfect time for students to be considering their options after Year 11. I would like to take this opportunity to inform you about our Post 16 taster sessions that are taking place the week beginning 2nd November 2020.

For students considering A levels and Level 3 Applied courses next year they will be taking part in Post 16 Tasters after school in the academy. Students have chosen their options for the week and the sessions will last 45 minutes, starting at 2.45pm and finishing at 3.30pm.

This is a fantastic opportunity for students to explore subjects we offer Post 16, speak to teachers and find out more about the personalised support students receive. We provide a broad and exciting range of courses, strong progression routes and the support your child needs, which will enable them to succeed.

At Maltby Academy all students will benefit from:

- Level 3 provision, including A Level and Vocational routes
- Smaller class sizes
- Top quality teaching
- A Tutor who knows each student and treats them as an individual
- A personalised timetable
- An excellent enrichment programme
- University and Higher Level apprenticeship links and career progression through experienced professional support
- Student leadership opportunities

We aim to fully prepare and equip students for life-long learning and the next phase in their career progression through to university, apprenticeships, training and employment.

All students will be interviewed over the next half term and do not need to apply for a place, these interviews will begin after half term. In the Spring term we will also be running a Post 16 Taster Day in the academy where students will be a Sixth Form student for the day; they will be able to choose from the subjects they wish to study and fully embrace all aspects of being a Post 16 student.

If you would like any further information please do not hesitate to contact me or Mr Boon at the academy,

Yours faithfully

Miss A.M Savage
Assistant Vice Principal Post 16

Mr Boon
Director of Sixth Form
