Dear Parent/Carer

### School Nursing Service

I am writing to inform you about a new service that we are introducing at Maltby Academy. The 0-19 School Nursing service in Rotherham are currently setting up a confidential drop in service in the Academy for young people every Thursday; 1.00pm – 3.00pm. Your child will be provided with the opportunity to arrange an appointment to see them at a specific time or can attend a drop in whereby they can simply turn up.

This service will be confidential, run by qualified nurses and will offer your child the opportunity to come along and discuss any health or well-being concerns that they may have. Young people are always encouraged however, to talk to yourselves as parents/carers initially.

The service offered **is confidential** however, if they feel that your child discusses anything that may place them at risk of any significant harm, they will take the necessary steps to contact you directly to discuss this further.

If you have any questions or wish to discuss anything regarding this new service, please contact the Maltby School Nursing Team; Monday to Friday; 9.00am – 5.00pm on 01709 423 333.

Yours faithfully

Mrs Laidlaw  
SENDCo

Success for today, prepared for tomorrow.
